

Managing products in the IDERA Dashboard

The IDERA Dashboard hosts IDERA products that register with the Dashboard. Click the **Manage Products** option in the Administration view to open the respective window.

In the **Manage Products** window you can perform the following actions on registered products:

Edit a Product

To edit a product, select it from the Products list. The Dashboard displays the settings for the selected product on the panel to the right. Make the necessary modifications and click **SAVE**.

Delete a Product

To remove a product, select it from the Products list and click **Delete** on the panel to the right. A confirmation dialog displays; click **YES** to remove or **NO** to cancel.

Migrate Product

Allows you to migrate the registered product to a different IDERA Dashboard. Select the product from the Products list and click **Migrate product**.

The image shows a dialog box titled "MIGRATE TO DIFFERENT IDERA DASHBOARD" with a close button (X) in the top right corner. The dialog contains the following fields and buttons:

- Host :** An empty text input field.
- Port :** A text input field containing the value "9292".
- Dashboard Administrator :** A label for the following fields.
- Username :** An empty text input field.
- Password :** An empty text input field.
- Migrate** and **Cancel** buttons at the bottom right.

Fill in the requested information and click **Migrate**.

Register a Product

The IDERA CWF 3.0 allows you to Register a Product. Click **Register a Product** to display the configuration settings.

Type all the requested information and click **Register**.
