Upgrade your license

You may need to upgrade your IDERA SQL Compliance Manager license due to any number of circumstances. For example, consider the following scenarios:

- You exhaust your trial license and have decided to use SQL Compliance Manager to audit and report on database activity
- You exhaust your purchased license due to company growth or the need to audit additional SQL Server instances to remain in compliance

To upgrade your license:

- 1. Click File on the menu bar, and then select Manage Licenses.
- 2. On the Manage Licenses window, click Add and enter your new license key.
- 3 Click OK

SQL Compliance Manager monitor, audit and alert on SQL user activity and data changes.
