# Managing licenses in the IDERA Dashboard

The IDERA Dashboard allows you to manage licenses for the different IDERA SQL products.

To view and manage licenses, click **Manage Licenses** in the **Administration** tab.

In the **Manage Licenses** view, you can see the following information:

- Product
- License key
- No. Of Instances

To **Add, Edit,** and/or **Delete** a license, click on a license from the list and fill the required information or make the necessary changes.

SQL Compliance Manager monitor, audit and alert on SQL user activity and data changes.
