

Managing Tags

Tags can help you organize your managed instances and databases.Tags created and updated in the IDERA Dashboard can be made available and used in other IDERA SQL products. This feature allows you to import, view, edit, and delete tags and their associated instances and databases.

Click **Manage Tags** in the **Administration** tab to display the configuration window.

MANAGE TAGS

SEARCH: Options Delete

Add Tag

Tag	Type	Conflict
No Results Found		

Manage Tags
