On the right side of the dashboard, SQL BI Manager provides a summary overview of the status and contents of your SQL BI environment that includes:

- **Instances** - The number of BI Service Instances that are up, down or critical.
- **BI Services** - The number of BI Services currently monitored in your SQL BI environment.
- **Disabled BI Services**- BI Services (SSAS, SSRS, or SSIS) that are disabled from monitoring.
- **Available licenses** - Access this option to view your current license, add, or buy another one. For more information, refer to [Managing licenses](#).

SQL [Business Intelligence Manager](#) identifies issues within the SQL BI environment to help optimize BI service performance. [Learn more](#) > >
