

# Managing Licenses

A license key is required to access all SQL BI Manager features. This license determines the number of BI Service instances that you can monitor.

View your license status, add, or buy a new license key go to the main dashboard view, and in the status area click **Available Licenses**.

### MY ENVIRONMENT

All SSAS Services	2
All SSRS Services	2
All SSIS Services	2
Disabled SSAS Services	0
Disabled SSRS Services	0
Disabled SSIS Services	0
Available Licenses	Unlimited

SQL BI Manager opens the **Manage License** window that displays information relevant to your current license such as:

- Type of license
- License status
- License expiration date
- Total licensed servers
- License key
- SQL BI Manager Repository
