Log in to the Idera Dashboard

Once you have installed and configured your Idera Dashboard and SQL Inventory Management deployments, you can log in to the web console by doing the following:

- 1. Open your selected Browser, make sure it is compatible with the Idera Dashboard console requirements.
- 2. Type the Idera Dashboard product URL: http://<machinename>:<port> where <machinename> is the name of your host or machine, and <port> is the port specified during installation. The default URL is http://<localhost>:9290 or http://<machinename>:9290.
- 3. When the Idera Dashboard web console launches on your browser, use your Windows user account **<domain\user>** with the respective

①

The Idera Dashboard Web Application service comes with SSL already set up. For more information on running the Idera Dashboard over SSL, see Run IDERA Dashboard over TLS or SSL.
