

Add or edit a custom report

On the Add/Select a report page, you can select whether you want to create a new report or edit an existing report.

To create a new report, type a name for the report, and then click **Next**.

To edit an existing report, select the custom report from the displayed list, and then click **Next**.

SQL **Diagnostic Manager** identifies and resolves SQL Server performance problems before they happen. [Learn more >](#)
