

Edit policy settings

The **Policy Properties** window allows you to quickly edit your policy settings. Changes made on the **Policy Properties** window are instantly applied to your policy.

In the **Security Summary** view you can open the **Policy Properties** window by using any of the following options:

- Right-click your policy from the Policies tree and select **Properties**
- Select your policy and click **Edit settings** in the ribbon options available at any of the tabs (Summary, Settings, Users)

The following windows are available on the **Policy Properties** window:

- [General Policy Settings](#)
- [Security Checks](#)
- [Audited SQL Servers](#)
- [Internal Review Notes](#)
