

Administration tab

SQL Compliance Manager is ONLY compatible with IDERA Dashboard version 4.8.1 and with limited support.

In the IDERA Dashboard, all products show a common Administration tab, granted the logged-in user has administrator privileges. Selecting this tab displays the Administration view which hosts a range of options for performing administration-related actions.

Available actions in the Administration view of the IDERA Dashboard

The Administration view of the IDERA Dashboard provides a central set of services related to specific actions such as:

- [User management](#)
- [Instance management](#)
- [Product registry](#)
- [Manage Tags](#)
- [Configure navigation order](#)
- [Configure Dashboard Views](#)
- [Product notification management](#)
- [Manage Licenses](#)

For more information on each service and what configuration settings are available, visit each respective section.
