

Configuration wizard - License Limit Reached window

The License Limit Reached window of the Configuration wizard indicates that you have registered the maximum number of SQL Server instances allowed by your IDERA SQL Compliance Manager license. You cannot register any additional instances.

To successfully register additional SQL Server instances, upgrade your license or remove a registered SQL Server instance from SQL Compliance Manager. For more information, contact [IDERA Support](#).

SQL Compliance Manager monitor, audit and alert on SQL user activity and data changes.
