Reviewing details

The **Summary** tab of the Backup Policy wi zard provides the summary of the specified values and options you have selected through the Backup Policy wizard tabs. If you want to change any of the configuration settings, go to the respective tab. After you review the information on the Summary tab, click **Fin ish** to create the policy and corresponding backup jobs.

> ✅ If you want to create the policy but not the backup jobs, return to the General tab and select the **Monitor Only** action.

SQL Safe is a high-performance backup and recovery solution for your SQL Servers. Learn more > >
