

Edit your SQL Diagnostic Manager registration with the IDERA Dashboard

The IDERA Dashboard Register wizard allows you to modify your SQL Diagnostic Manager registration with the IDERA Dashboard.

Access the IDERA Dashboard Register wizard

You can access the IDERA Dashboard Register wizard by running the `IDERADashboardRegister.exe` file in your root SQL Diagnostic Manager directory.

To use the SQL Diagnostic Manager Management Service Configuration wizard:

1. Run `IderaDashboardRegister.exe` in your root SQL Diagnostic Manager directory.
2. Enter your SQL Diagnostic Manager Repository and Authentication credentials to retrieve your IDERA Dashboard registration information.

The screenshot shows a Windows-style dialog box titled "IDERA Dashboard - SQLDM Registration". The window has a blue title bar with standard minimize, maximize, and close buttons. The main content area has a light gray background with a large gear icon on the left and the IDERA logo at the bottom left. The title "SQL Diagnostic Manager Repository Credentials" is centered at the top of the main area. Below the title, a message reads: "Enter your SQL Diagnostic Manager repository credentials to retrieve your IDERA Dashboard information." The form contains several input fields: a "SQLDM Repository" label above a group box, a "Server" dropdown menu with "CR-2K8R2" selected, a "Database" dropdown menu with "DiagnosticManagerRepository" selected, an "Authentication" dropdown menu with "Windows Authentication" selected, a "User Name" text box, and a "Password" text box. At the bottom of the window, there are three buttons: "Previous", "Next", and "Cancel".

- Click **Next** on the **SQL Diagnostic Manager Repository Credentials** window and your current registration details display.

IDERA Dashboard - SQLDM Registration

Register with an Installation of the IDERA Dashboard

Register with an Installation of IDERA Dashboard. You can register with either a local or remote installation of the IDERA Dashboard.

Dashboard

Host Name: CR-2K8R2

Port: 9292

Service Account: SIMPSONS\Administrator

Password:

Display Name: demo

Previous Next Cancel

- Modify registration and Dashboard settings in the **Register with an Installation of the IDERA Dashboard** window.
- Click **Next** and the updated Dashboard settings information displays.

IDERA Dashboard - SQLDM Registration

Register with IDERA Dashboard

Review your IDERA Dashboard settings then click Finish to register with the IDERA Dashboard. Make sure the IDERA Dashboard is installed on the remote machine before attempting to register.

Dashboard Settings

Before
