Installation instructions

This procedure guides you through a typical install of IDERA SQL Inventory Manager integrated with the IDERA Dashboard.

- The IDERA SQL Inventory Manager setup provides users the following components: IDERA SQL Inventory Manager and IDERA Dashboard.
- For step by step instructions, see Installing SQL Inventory Manager.
- For upgrading your installation to the latest version, see Upgrade to this release.
- To register IDERA SQL Inventory Manager with a remote IDERA Dashboard, see Installing using a remote Dashboard.

IDERA SQL Inventory Manager lets you discover and visualize your SQL Server environment. Learn more > >
