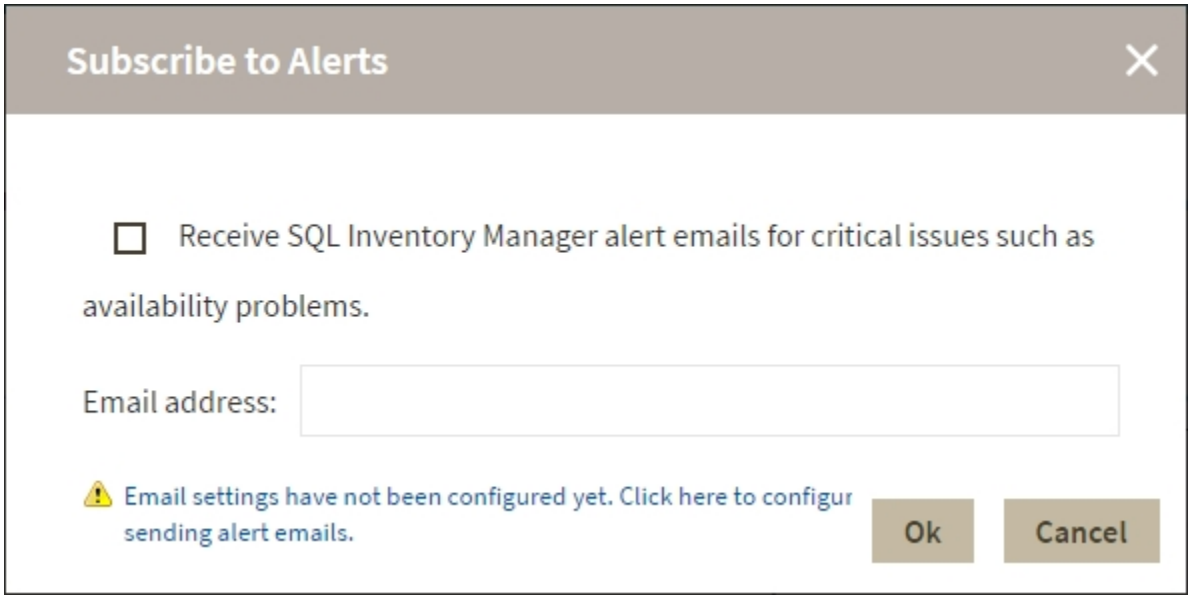
How to subscribe to Alerts

IDERA SQL Inventory Manager can send email notifications for warning or critical conditions from your environment, in order to receive these notifications you have to subscribe to alerts.

To subscribe, go to the **Administration** tab, in the **Alert Emails** section, click **Subscribe to alerts**.

On the **Subscribe to Alerts** window, check the respective box and type the email address where you want to receive these notifications.



Note

If you have not configured your email settings, IDERA SQL Inventory Manager displays **E mail settings have not been configured yet. Click here to configure sending alert emails**, click this option and fill the required fields, for more information go to Configuring email settings for alert notifications.

Manage users

You can also manage your subscriptions from the following sections:

- Managing users.
- Managing subscriptions for all users.

IDERA SQL Inventory Manager lets you discover and visualize your SQL Server environment. Learn more > >
