Review details for log shipping

The Summary tab of the Log Shipping Policy wizard provides the summary of specified values and options you have selected in the Log Shipping Policy wizard.

What do you do next?

After you have reviewed the information on the Summary tab, click **Finish** to create the policy and corresponding log shipping schedule. SQL safe opens a window with the list of tasks for your policy and verifies them.

SQL Safe is a high-performance backup and recovery solution for your SQL Servers. Learn more > >
