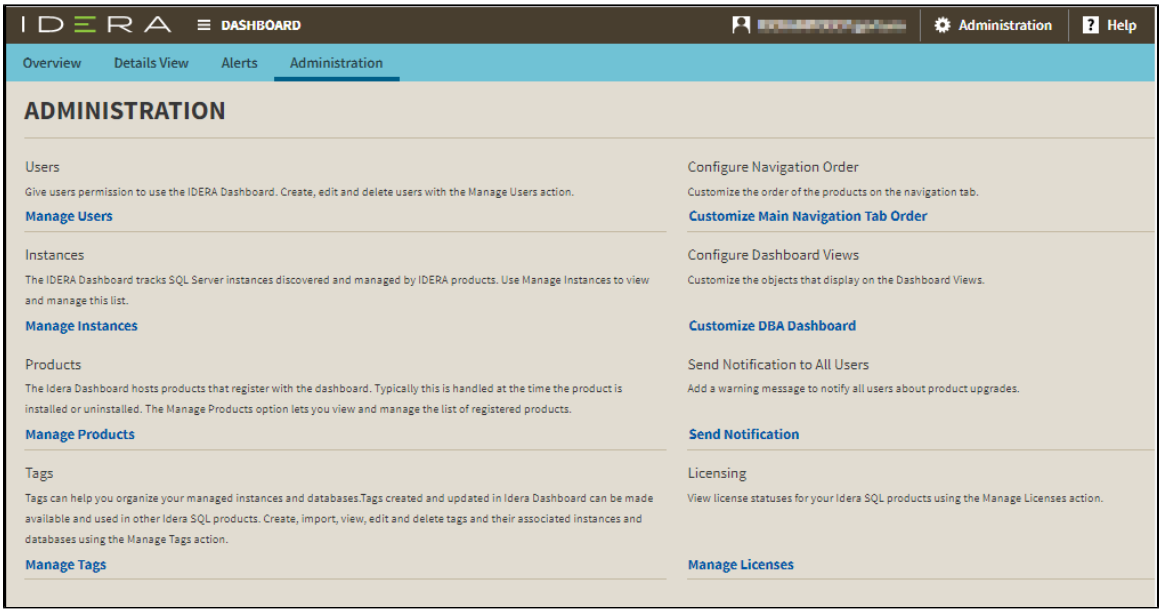
Administration tab

In the IDERA Dashboard, all products show a common Administration tab, granted the logged-in user has administrator privileges. Selecting this tab displays the Administration view which hosts a range of options for performing administration-related actions.



Available actions in the Administration view of the IDERA Dashboard

The Administration view of the IDERA Dashboard provides a central set of services related to specific actions such as:

- User management
- Instance management
- Product registry
- Manage Tags
- Configure navigation order
- Configure Dashboard Views
- Product notification management
- Manage Licenses

For more information on each service and what configuration settings are available, visit each respective section.
