

## Managing Licenses

A license key is required to access all SQL BI Manager features. This license determines the number of BI Service instances that you can monitor.

To view your license status, add, or buy a new license key go to the main dashboard view, and in the status area click **Available Licenses**.

	Up	6
	Down	2
	Critical	3
<b>MY ENVIRONMENT</b>		
	All SSAS Services	2
	All SSRS Services	3
	All SSIS Services	3
	Disabled SSAS Services	0
	Disabled SSRS Services	0
	Disabled SSIS Services	0
	Available Licenses	Unlimited
	Side-By-Side Server Performance	

SQL BI Manager opens the **Manage License** window that displays information relevant to your current license such as:

- Type of license
- License status
- License expiration date
- Total licensed servers
- License key
- SQL BI Manager Repository

**Manage License** ×

**Current License**

Type:	Trial License
Status:	OK
Expiration Date:	Nov 15, 2016
Total Licensed Servers:	Unlimited
Monitored Servers:	8
Key:	AX2ZE-68W2Y-3MJS2-U9V8R-39H792
SQLBI Repository:	WIN-90GCKKJIPTJ
