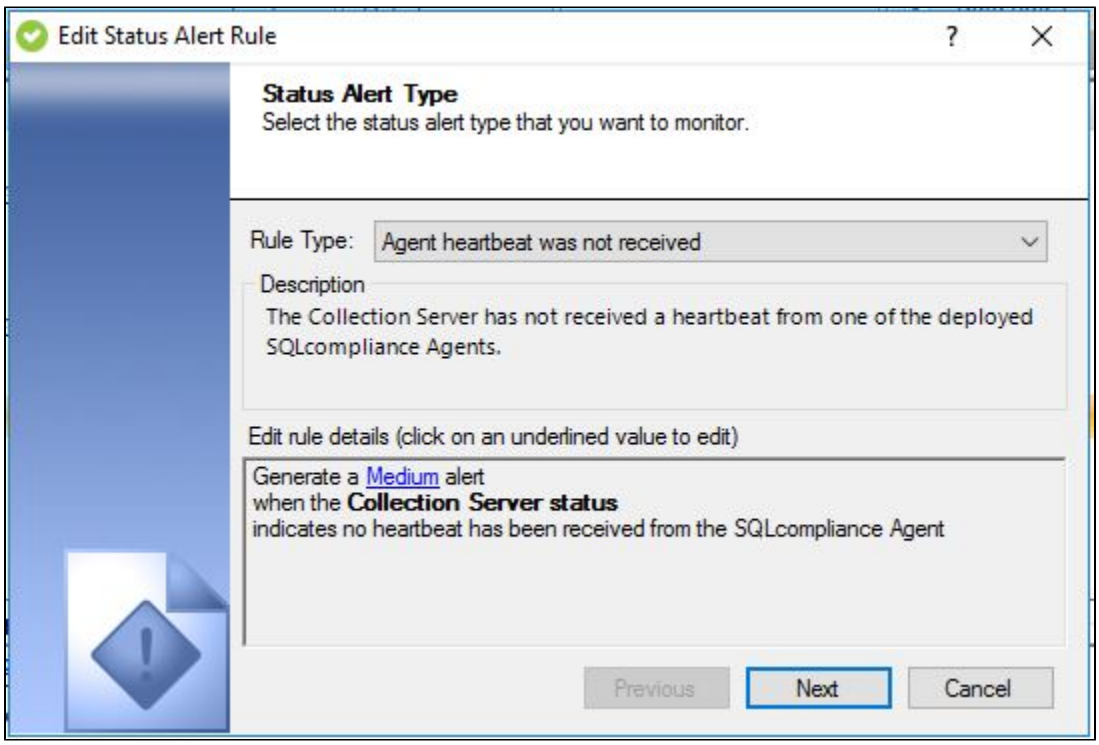
Edit Status Alert wizard - Status Alert Type tab

The Status Alert Type tab of the Edit Status Alert wizard allows you to change the type of IDERA SQL Compliance Manager status you want to alert on.



Available actions

Select type of SQL Compliance Manager status that triggers this alert

Allows you to select the product component status that should trigger this alert. When the Collection Server receives a status that matches the specified type, the alert rule is run to see whether the status matches the other alert rule criteria.

Edit rule details

Allows you to change your specified alert rule criteria at any time as you create your new alert rule. As you specify criteria using the Edit Status Alert Rule wizard, the rule details grows to include these additional settings. To edit previously set criteria, click the corresponding setting.
