

Viewing the steps of your job

The **Job History** tab allows you to drill into any job event and see more specific information about its steps. Click the  more icon to expand and view the following information of each job event:

- **Status** - Displays the status of each step.
- **Date/Time** - Shows the date, time, and timezone when the step is finished.
- **Step Id** - Displays the identification number (ID) of each step.
- **Step Name** - Displays the name of the step.
- **Message** - Shows additional information of the step.

For more information on how to order and filter the information on the **Job History** tab, go to [Organizing and filtering your job history information](#).
